

WOULD YOU LIKE TO HOST A MOBILE COVID-19 VACCINATION EVENT IN YOUR COMMUNITY?

CDR Health is proud to partner with the **Department of Health and Environmental Control (DHEC) in South Carolina**, offering the opportunity for businesses, schools and other organizations to host free, mobile COVID-19 vaccination events to help expand accessibility to those in need within local communities across the State of South Carolina.

The key to our missions? **Flexibility.**

YOU choose the **day**. YOU choose the **time**. YOU choose the **vaccine**.

The choice of the **Moderna, Pfizer or Johnson & Johnson** vaccines will be offered.

WHO ARE WE AND WHAT DO WE DO?

We are **EMERGENCY MANAGEMENT EXPERTS**. Our team's unique experience in responding to the COVID-19 crisis in Florida, Colorado, Massachusetts, Kentucky, Texas, and Missouri—as well as our long-term experience with FEMA Public Assistance—creates an advantage for clients responding to healthcare related disasters and pandemics. Our team has been advising multiple state and local governments since the beginning of the pandemic, providing valuable resources and supplies in response to COVID-19.

- ✓ 2.7 MILLION VACCINES ADMINISTERED
- ✓ 10,000 MOBILE MISSIONS ACROSS 54 COUNTIES IN THE STATE OF FLORIDA
- ✓ LESS THAN 30 MINUTES TOTAL TIME FOR VACCINATION FROM CHECK-IN TO CHECK-OUT
- ✓ 3.2 MILLION COVID-19 TESTS PROCESSED
- ✓ CDR DEVELOPED A PROPRIETARY DATA MANAGEMENT SOLUTION, CDR HEALTHPRO™, TO PROVIDE A TURNKEY SOLUTION FOR PATIENT REGISTRATION AND TRACKING FOR COVID-19 TESTING AND VACCINATIONS.

WHY CDR HEALTH?

- We have the ability to deploy a mobile vaccination unit with less than 24 hours' notice.
- We provide site infrastructure and staffing. Our set up is quick and easy. No space is too big or too small. We make it work.
- We provide flexible scheduling and operating hours, generally between 7:00 a.m. to 10:00 p.m.
- CDR HealthPro™, our proprietary vaccine data management solution, provides the ability for patients to register, schedule and track the administration of vaccinations, including providing a Vaccination Verification Record™
- We provide an IT infrastructure, including hardware and support.
- We provide daily reporting to the SIMON registry (The South Carolina Immunization Registry).
